Dear Sponsor:

The Long Island Bandits are a non-profit organization. We provide the opportunity to young women to develop physical, mental and social skills through athletics and team sport. Our philosophy is based on our mission statement "Commitment, Practice and Development". We are a girls travel fastpitch softball team. With your help and support we are able to attend ASA, Pony and NSA tournaments around the USA. Please help by sponsoring our team, an individual or a tournament.

Thank you,
L.I. Bandits
